General Electric's Porta-Color was the first "portable" color television introduced in the United States in 1966. The Porta-Color set introduced a new variation of the shadow mask display tube.

Porta-Color - Wikipedia

the Industrial Internet can transform our industries and livesâ€” pushing the boundaries of minds and machines. 5 For much of human history, productivity growth was barely perceptible, and living standards improved extremely slowly. Then approximately 200 years ago, a step change in innovation occurred: the Industrial Revolution, in which muscle power, from both humans and animals, was ...
